about us

Te Kura is a distance education provider offering a range of subjects up to NCEA Level 3, so you can earn the qualifications you need to get on in life.

Learning with Te Kura is flexible. You can enrol at any time of the year, in one or more subjects, and you can work anywhere, anytime.

Our staff will help you to choose the right course for you. They'll look at your goals, interests and what you've learned already to help you choose the courses you can succeed in.

If you enrol in two or more courses you'll also have an advisor who will stay in touch with you while you're studying to keep you motivated and answer any general questions you might have about your school work.
